With Noah's help Tom
had saved the world.
Every body was singing!
After that people made sure they
sang every day in the shower, sitting on the toilet
and in their dreams.
Tom and Noah were awarded a special medal
for rescuing the world. Every where Tom went
he took Noah with him. They were famous.
From then on Tom always kept Noah by
his side and never put him back on
the shelf. Noah and Tom had many more
adventures together. The world remembered them
for the magic song in the box. That beautiful voice
was Noah's singing voice.
