Session notes

Week 1

Hello, Hello everyone

Teacher Notes

This is a happy song to begin our series with, one in which we introduce the team to the children and they are introduced to our teaching and learning style. The instructions are within the musical presentation. They are asked to dance, listen to us introduce ourselves, asked to sing the question 'What's your name?', and also to sing their answer 'My name is...' singing their name.

Children Notes

Watch the film and follow Suzzie's instructions. She will show you how to move during the song, when to listen, when to sing with everyone, and when and how to sing your name. Have fun dancing! Watch the film a few times and when you feel confident enough singing the whole song have a go at singing 'What's your name?' to someone in your house. When they sing 'My name's....' give them a thumbs up 'Well done'.

We hope you enjoyed the first week? Don't forget to come back next Monday where we will introduce you to the next song, have a lovely week and keep singing.
