

SingMaker interactive films

Session notes

Week 10

My Song

Traditional melody, words Rebecca Ledgard, arrangement Rob Challinor

Warm up with I Just Gotta Sing

Teacher Notes

This is the final singing-film we are releasing in this series. We hope you and your children have enjoyed our songs this term and do watch out for our next series, planned for the autumn term 2020 with lots of new repertoire for the primary school age range.

It has been wonderful to see the children's responses including little films of children from thousands of miles away singing along with us. Singing brings us all together.

'My song is a good song. For I stand up proud, I sing out loud, I gather all my friends around.'

Have a safe and restful summer and do keep singing. Keep in touch, best wishes from Ex Cathedra's SingMaker team.

What a shame that this is the last singing film, it has been lovely having you join us over the last 10 weeks, we hope you have enjoyed it as much as we have. Don't forget to pop on over to our Facebook page and let us know what you thought of this song?
