SingMaker interactive films

Session notes

**Week 4 – KS1**

**Write a little story – by Suzzie Vango**

**Warm up with Hello everybody**

## **Teacher Notes**

This is the fourth interactive singing-film in our series and a particular favourite we love to play in the classroom and in our concert hall SingMaker sessions for younger children. We want to encourage children to use their imaginations in playful singing and so Suzzie wrote this to do just that. We hope young children will enjoy Suzzie and Rob's warm story-telling presentation in the same way they enjoy being read stories. In the third verse Suzzie invites the children to sing their own ideas into the story. Do encourage your children and their parents to get familiar enough with the story-song to be able to sing it without the film too, perhaps at bedtime, or maybe as each day starts.

## **Children Notes**

Do you have lots of stories bursting to get out of your head? Do you hum as you play? You can sing your stories as you play with your toys. Perhaps you can help Suzzie with your story ideas. Who do you want in your story? She'd love to know.

What did you think of this song? Don't forget to come back next Monday where we will introduce you to the next song, have a lovely week and keep singing.
