Week 8 – KS2

Move It – by Suzzie Vango

Warm up with I just gotta sing

Teacher Notes

We always encourage children to move when singing and to be guided in what they hear and how they are singing. Move it! is always hugely enjoyed by older KS2 children, especially when they hear the groove of the music and realise they can move as it feels. Children also like the competitive dance-off element in this song.

Children can have a lot of fun at home with this but when we can all one day get back together in assembly they will love the ecstatic group singing and dance-off this sets up. The teachers love it too and one PE teacher even surprised us once by throwing himself on the floor and doing some full-on dance club moves.

Children Notes

Why don't you challenge a parent or your brother or sister to a 'dance off'?

Enjoy!

What did you think of this song? Don't forget to come back next Monday where we will introduce you to the next song, have a lovely week and keep singing.
